Obviously, it's not compulsory but I'll give a small prize to what I think is the best.**

And finally have you heard this one?

Have you heard about the chap who was so dim his teacher gave him two sticks and he became a drummer but then he lost one and became a conductor.

and a quiz question:

Q: What was the last album Freddie Green appeared on? He died a week after recording it..

The Chairman closed the meeting at 9.45 wishing everyone A Safe Journey Home.
